29er Green (Frame)
\$2 279.99

From the moment we announced the T29, the orders have been flying in. It seems being the first to offer a big travel 29er had its rewards, and now you can own a 29er and not be ashamed of it. Frame and Shock MSRP \$2280 USD [\[Product Details...\]](#)

Intense Spider2 Green (Frame)
\$1 899.99

Spider2 has been an award winning XC bike since we introduced it. The lightest, shortest travel bike in our lineup and, with adjustable 4.5"–5", this is the perfect bike for your XC needs. Spider2.29 has been updated for 2011 with a new tube spec and [\[Product Details...\]](#)

Tracer 2 Orange (frame)
\$1 999.99

We worked hard to incorporate every great idea we possibly could, and developed our new 2011 Tracer2. While it shares the same genetics as earlier Tracers, these remarkable improvements to make it one of the best riding and handling technical trail bikes [\[Product Details...\]](#)

Uzzi (Frame)
\$2 199.99

The Uzzi is our workhorse of the fleet. It does not matter if you are going downhilling with your friends, riding an XC loop for lunch, racing super-D or racing an Enduro. With its 7"-7.5" adjustable travel, adjustable G3 dropout, you CAN do anything with [\[Product Details...\]](#)
