Parlee Road

Z1
\$6 499.99

TIMELESS STYLE AND STUNNING PERFORMANCE The model that started it all, the Z1 sets the standard at PARLEE for our commitment to build each customer a bike that delivers an exceptional experience whether you are on back roads, in a tight crit, a climb in [\[Product Details...\]](#)

Z2 / Z3
\$5 499.99

Z2: TRADITIONAL LOOKS, MODERN RIDE Originally designed to be a less expensive alternative to the Z1, our Z2 may be the best-kept secret in the PARLEE lineup. Built using the same tube sets and techniques as the Z1, the Z2 offers a wide range of sizes and [\[Product Details...\]](#)

Z4
\$2 499.99

Z3 DNA, PERFORMANCE AND RIDE QUALITY IN STOCK PLATFORM Tour of California. Fitchburg. Gila. Redlands. Beauce. Herald Sun Tour. Super Week. If you have ever pinned a number to your back, these names will ring a bell. The Z4 has shined at all of these even [\[Product Details...\]](#)

Z5
\$3 499.99

Evolution Our fifth generation frameset "the Z5" is one of the lightest frames ever built, yet still possesses the famous acceleration, lively road feel, and comfort that is the hallmark of all PARLEE designs. The Z5 combines the best qualities of the [\[Product Details...\]](#)

Z5 SL
\$4 499.99

Evolution Revisited Tempted ever to buy something for your bike because it was the "lightest"? As cyclists we are constantly tempted by the sirens' song of the latest lightweight wheel or part. And how many times have these parts whose only discernible f [\[Product Details...\]](#)
